

## **UNDERSTANDING WORD CURSES**

“Death and life are in the power of the tongue,  
and those who love it will eat its fruit.”

[Proverbs 18:21](#)

Words have power, especially for the children of God. The enemy has it out for us. His minions are watching for legal grounds to attack. Our words can give permission for the devil to take our spiritual rights. We can speak words over ourselves without even meaning to that can rob us of our comfort, peace, health, protection, and even life. Think about it. What binds us to Jesus? It's faith, belief in His shed blood as propitiation for our sins. What else might BELIEF bind to us when we come into agreement with words that can cause harm?

Think about things people say all the time and the spiritual implications of them:

- I will never trust again
- I will never be financially safe
- I will never let anyone hurt me again
- I will never ask anyone for help
- I will prove they were wrong about me
- I will never try to please anyone, it can't be done
- I will never cry or hurt again
- I will never get married or be loved
- I will never forgive them unless they apologize first
- I will always be unattractive
- I will always be rejected by others
- I will never be accepted
- I will always be clumsy
- I will prove to others my value
- I will always outwork everyone else
- I will always be overweight or skinny
- I will always be afraid of people and be shy
- This medicine won't make me better

- I have always had a weak immune system
- My family has always struggled with this.....
- I will always be poor and live in poverty
- I am not very smart
- I will make my parents proud of me someday
- I only like the best of everything
- The church will always hurt me
- I don't need to submit to anyone
- Nobody tells me what to do
- I will be alone the rest of my life
- This will always be my life

**If you have spoken these curses over your life it is time to break them**

## **How Do You Break Word Curses?**

Breaking word curses isn't complicated—but it requires intentionality and breaking the legal right in the spirit. This done by doing the following:

**1) Repent For Word Curses Spoken Or Believing Them.** Say out loud: "I repent of the word curses I have spoken over myself or of others and I ask you Father to forgive me."

**2) Renounce and Cancel By Coming Out Of Agreement.** Declare Isaiah 54:17: “No weapon formed against me shall prosper, and every tongue that rises against me in judgment, I condemn.” Condemn means to “declare invalid.” Speak it in faith. “I renounce the word curses I spoke over myself or of others and I come out of agreement with them.

**3) Plead the Blood of Jesus.** Revelation 12:11 says we overcome by the blood of the Lamb and the word of our testimony. Say, “I cover myself with the blood of Jesus, and I break every word curse spoken against me or that I have spoken of myself and cancel it void.”

**4) Release Prophetic Declaration.** Don't just break the curse—replace it! Speak God's Word over yourself: “I am blessed and not cursed. I am the head and not the tail. No evil word will prosper against me.”

Father in the name of Jesus, I repent of every word curse that I have come into agreement with or have accepted into my life. I repent of every word curse that I have spoken to anyone knowingly or unknowingly. I repent of every false prophetic word that I have accepted as your word or come into agreement with knowingly or unknowingly and I ask for your forgiveness. I come out of agreement with every word curse or false accusation, or false prophetic word that is binding me in the spirit and I

break the contract that has given the enemy access into my life. I command in the name of Jesus every curse be broken right now. I break your power and blood of Jesus Christ is against you. Holy Spirit remove every veil from eyes and fill every void that has been caused by these curses. Heal every internal wound that has been inflicted. Restore what curses have stolen from me. I declare and decree that I am free from every curse and every block of delay. Hurt is not my portion. Trauma is not my portion. I am healed. I am made whole. I am complete in Christ lacking nothing. We seal this prayer by faith and cleanse it in the blood of Jesus Christ. Thank you Father for your mercy and your power to set the captives free. Help me to walk in the fullness of what you have ordained for my life. In Jesus mighty name I pray this, Amen.
