

## PRAYER TO BREAK SPIRIT OF NARCISSISM

Heavenly Father, I come before you today in the mighty name of Jesus, and I ask you to forgive me for my sins knowingly or unknowingly that I have committed. Forgive me Father for being in relationships or circles that I didn't belong in that allowed the spirit of narcissism access into my life. Forgive me for all fornication or adultery that I have committed that has raised a demonic altar, contract, or covenant over my life. Father I ask you to forgive my bloodline and my ancestors for any sins that have allowed this spirit to pass down through the generations of my family. Father in the name of Jesus, I come out of agreement with the spirit of narcissism and every Jezebelic spirit, contract, covenant, or assignment over my life. I renounce and come out of agreement with all confusion, manipulation, intimidation, seduction, co-dependency, trauma bonds, unforgiveness, or self hatred. Father, I ask that you deliver me today and set me free from the bonds of this spirit. Restore everything back in my life that the powers of darkness have taken from me and tried to rob me of. In Jesus name I ask and pray this, Amen.

Father, in the name of Jesus, I command every Jezebelic spirit and every spirit of witchcraft and manipulation to be broken right now. I command you to come up and out of me right now and to loose my life, loose my family, and loose my mind in Jesus name. Every spirit of oppression and depression from narcissistic witchcraft I break your power by the authority of Jesus. I command every seed of confusion or chaos that has been sown by narcissists into my mind to hinder or delay me to be and destroyed by fire right now. I take the sword of the spirit and I sever every ungodly soul, every trauma bond, and every emotional attachment that has opened up the door to witchcraft attacks over my life. I speak to every fragmented piece of my soul that has been separated from me through trauma bonds or soul ties and command them in the name of Jesus to be returned back to me so I can be whole. In the name of Jesus I break every generational curse or demonic cycle that has been raised up against my bloodline and command you to loose and come off of my life. Holy Spirit, release your fire to consume and destroy every demonic altar, contract, or covenant that has been raised against me by narcissistic spirits or influence. I cancel every agreement or contract made against my purpose or their destiny. The blood of Jesus is against you. I command every

demonic agenda or assignment to isolate and control me to be dismantled right now by the power of Jesus Christ. I declare that every word curse that has been spoken against me or that has been implanted into my mind or my heart to be uprooted, broken and rendered powerless right now in Jesus name. You will no longer influence my life, my mind, or my decisions. By the blood of Jesus I cleanse my mind and my emotions from all forms of narcissistic abuse, control, and manipulation. By the power of the Holy Spirit I uproot every seed of rejection, every seed of abandonment, every seed of bitterness, every seed of resentment, and every seed of unforgiveness from my heart that has been planted by the enemy and we replace it with your love, with your peace, with your joy, with your word, and with more of your presence. Father, restore to me back my confidence and self esteem that the spirit of narcissism has attempted to rob me of. Restore to me back Father, my finances, my resources, and relationships that these spirits tried to rob me of. Father I ask for divine protection over my emotions to guard me moving forward against narcissistic manipulation. Restore to me my discernment Father, to see clearly in the realm of the spirit and to clearly hear your voice yet again. In the name of Jesus I declare freedom, healing, and restoration here today over every area of my life that has been affected. By my declaration of faith and by blood of Jesus Christ I seal this deliverance prayer here today. I command in the name of Jesus that there will be no retaliation or backlash against my life or anyone connected to me after receiving my deliverance here today. In Jesus mighty name I pray all this and declare it is done, Amen.
