

## CLEANSING PRAYER FOR YOUR HOME

Heavenly Father, we come before you and ask for the cleansing blood of Jesus to wash over this home from top to bottom. I cover every room by your blood, every wall, every floor, and every corner of this house. Forgive me Lord, for bringing in any ungodly objects into my home. I declare that every trace of sin, trauma, oppression, and every evil influence is cast out in Jesus name. I renounce and sever all ungodly ties, attachments, and unholy covenants that have been made, knowingly or unknowingly in this home. In the name of Jesus I renounce and reject every sin both known and unknown that has been committed in this house. I renounce and cast out every demonic object or cursed items that have ever been brought into this home. Lord I ask you to reveal anything that needs to be removed from my home. I repent and renounce every ungodly movie, music, or media that has been watched in this home and I command every spirit that has entered through those gates to leave me home now in Jesus name. I bind up every evil spirit that was attached to people who have entered my home or lived in this house and command them to leave now. By the power of the Holy Spirit I Break every satanic claim and legal right over this home and command it to be broken right now! I declare in the name of Jesus that this home will be a dwelling place for the presence of the Lord. Satan you have no right to be here any longer. Father in the name of Jesus, I anoint every corner of this property. Every door, every window, and every entry and exit point with your anointing. I ask Father that you send your mighty warring angels to stand guard over this home, protecting us from every attack and assignment of the enemy. I anoint each bedroom, bed, and pillow with the blood of Jesus and I declare peace over every person who lays their head to rest here. Holy Spirit, fill every room of this house with your presence, peace, and joy. I invite you to dwell here and saturate your glory upon us. Thank you Lord, for the victory and authority we have in Jesus. I declare this house belongs to you. It is consecrated, cleansed, and set apart for your purposes. May this home be filled with your Spirit and be used to bring you honor and glory. I seal this prayer and this home with the blood of Jesus. In Jesus mighty name I pray, Amen.
