

PRAYER TO CAST OUT SPIRIT OF DEATH

In the mighty name of Jesus, I command the Spirit of Death to come up and out of _____ life right now! I cancel every agreement or covenant that has been made in _____ life with the Spirit of Death knowingly or unknowingly. By the power of the Holy Spirit I break every generational curse that has allowed this spirit access to _____ or their bloodline. I command in the name of Jesus every lying spirit and every whispering spirit attempting to manipulate _____ mind to hurt themselves or take their life to loose their life and leave right now! I bind up and cast out every mind binding and seducing spirit and command you to never return in Jesus name. Every witchcraft and manipulation spirit be broken right now! Every door that has been opened to give this spirit legal rights we close shut and cover in the blood of Jesus. I uproot every negative seed that has been planted into _____ mind or heart through rejection, offense, bitterness, unforgiveness, or trauma and I set fire to it right now by the power of the Holy Spirit. Father, where every demonic spirit or influence has left _____ body replace and fill it with your love, with your joy, with your peace, and with your word. Renew in them a clean heart and a clean mind. Help them to take every thought captive under the obedience of Christ. Return to them Father everything that this wicked spirit has tried to take from them. Restore their confidence, their self esteem, and their peace. Thank you Father for freedom here today. In the mighty name of Jesus Christ we pray this and declare it is done, Amen.
